

Access fertility and family building benefits

In honor of National Infertility Awareness Week, explore family building support available to you.

[Company Name] is proud to partner with Progyny to offer you [and/or your eligible spouse/domestic partner] access to comprehensive fertility and family building benefits. Progyny provides personalized treatment and guidance for anyone exploring fertility and family building care, connecting you to a network of fertility specialists and providing coverage to help you manage the out-of-pocket costs of fertility care (e.g., IUI, IVF).

Select 'Create an account' using the link below and follow the instructions to check your access.

You're receiving this email because you may be eligible for the Progyny benefit through your organization. Please know this message is intended to share available resources, and we recognize that these topics can be personal. If these services do not apply to you at this time, please disregard, or share as applicable.

You don't have to navigate this journey alone.

At Progyny we recognize that the road to parenthood can be challenging, and we're here to support you through each phase of your family building journey. Your benefit includes:

Family Planning Resources and Education

Get resources and guidance for trying-to-conceive including ovulation tracking, nutrition, mental health, and more

In-Network Fertility Specialists

Access a network of top Reproductive Endocrinologists and Reproductive Urologists across the U.S. for the quality care you deserve

Fertility Treatment [and Medication] Coverage

Manage your out-of-pocket costs by tapping into coverage for paths such as IUI, IVF, and more

Concierge Support

Match with a Progyny Care Advocate (PCA) for care navigation and emotional guidance, a fertility expert trained to support all paths to parenthood

Adoption and Surrogacy Assistance

Access [financial assistance and] counseling for adoption and surrogacy
